## **BROKER'S COMMENTS**

Save tens of thousands! This Carver Santego is a steal. A true thoroughbred on the water. The 380 has introduced a new design concept—An express cruiser that blends comfort and the best of performance and handling. The Santego 380 has upped the ante in its class with a huge salon, wide sliding doors, and a large flybridge. Its creature comforts are designed just for you. Air conditioning, hot water, fridge, stereo, galley, Thousands of CARVER owners have discovered the value of joining the CARVER club. You can stop looking; you won't find a better value anywhere. CARVER'S methodology of design and construction has made thousands just like you fall in love with their boats, at a great bottom line. You can eat a hot meal, take a hot shower, and sleep comfortably. A safety package and superior engineering make this a stress free boat. Your family and friends will love being aboard, and you will feel great at the helm knowing you are providing them experiences for a lifetime. Its time to be the captain of your own ship. Bottom line is you have a great boat backed by a great company at a super price. The CARVER 380 SANTEGO is a design that will forever change your thinking about the meaning of "express"

## **MAIN SALON**

The Santego has an expansive salon with wraparound settees and a drop down table for an extra berth. Her spacious condo style interior creates a kind of party time accommodations seldom seen in a boat this size. A pair of full height sliding doors to the cockpit provides an abundance of exterior light, and the wide-open expanse of a single floor plan has to be seen. There is full headroom and plenty of storage, and a private head and shower. There are hanging lockers for all your clothes. Lots of mirrors give an expansive feel. Cabin carpeting is comfy on bare feet. You can cook your favorite meal on the electric cooktop, microwave. Have a cool drink from the refrigerator/freezer. Relax at the elegant dinette to your favorite tunes on the stereo system. Pop the kids or your favorite video in the VCR. Retire to the master stateroom and its queen size bed. Thick, soft cushions keep you and yours comfy. All cabinets and drawers are joined like fine furniture. If you like, rinse off in the hot shower, or a cool one. Dim the cabin lights, make the bed, open the hatch—and be rocked to sleep listening to the waves lap against the hull. When you get up pour yourself some hot coffee from the built-in coffee maker and watch the sun rise. What a lifestyle!

- Kenwood KDC 31ss with remote cd/am/fm
- Quasar Omnivision VHS/TV

## GALLEY

Meals just taste better at sea. Prepare a gourmet meal or a quickie in the microwave. Enjoy hot coffee on the midnight watch or in the morning with the sunrise. You even have a remote microphone in the galley to monitor communications.

- CO Detector
- Black and Decker Space Maker Coffee Maker
- Standard Horizon Ram Mic remote vhf
- Ceran Princess cooktop
- Sharp Carousel Microwave
- Stainless Steel sink.

## HULL

You will love this hull. Carvers design/engineering team uses CAD- Computer Aided Design. Result: V Hull and relatively wide beam and advanced keel design for quick planing, fuel efficiency, and a dry stable ride. No bouncing around on this boat. How about a rock solid fiberglass hull to cut back on maintenance costs? The very best resins and constructions techniques available used. Tough, stable, safe

## DECK

For those who delight in the great outdoors you will love entertaining friends and family. The spacious cockpit has seating for everyone. Cockpit speakers let you set the mood. Sturdy, stainless steel handrails are easy for you to grab. Hot? Take a dip off the huge swim platform. Drag the kids (or your guests) on the tube. Need shade? Open up the bimini. Not Magellan? Use the Autohelm autopilot. Go to the bow and it's through the walk-through from the flybridge. You will like the look; the Carver has a stylish Mediterranean profile. Time to drop anchor, use the windlass and save your back. Wash the anchor down with the forward wash down. Night maneuvers-use your spotlight. Carver has it all covered.

## FLYBRIDGE

There's seating for a crowd on the huge flybridge. Concealed steps provide a walkway to the foredeck. Wrap around seating fore and aft of the helm provide 360-degree views. An enclosure protects from the elements.

## ELECTRONICS

You will love driving this boat. All controls are easy to reach. Full, aircraft style instrumentation (trim, volts, fuel quantity, oil pressure, rpm, temp, speed, and more) to monitor the engine. You are protected with an enclosure, or open it up for a cool breeze.

GPS Chartplotter, radar, depth finder, VHF radio, stereo, VCR, compass. Not an electrician? That's ok. A dual battery switch gives you a back up. 2 Batteries and a Kohler 8kw generator give ample power underway. Want shore power at the marina? A shore power cable and plug-ins make it a cinch. 120 volt AC, 12-volt DC circuit breakers and fuse panels are well labeled and accessible. You have a Ground Fault Interrupter for safety. Color-coded marine grade wiring. Nice.

- Furuno 1731 Mark-3 Radar
- Ritchie Wet Compass
- Hummingbird 300TX
- Raytheon S1600 Autopilot
- Standard Horizon Spectrum VHF Radio
- Furuno GP 1650 Color GPS Plotter

## ELECTRICAL

- Enjoy electrical power at all times with shore power and a generator.
- Kohler 73E-CB 7.0KW generator.

## **ENGINE DETAILS**

You like power? How about twin Mercruiser at 350 hp apiece that purr with around 430 hrs. Safe and reliable. Enough to pull a tube or cruise efficiently. You can trim her just right too—with the dual trim tabs. Time to back into the slip- with everyone watching. No problem, you have twin engines for effective control. You will have piece of mind too, with all bronze fittings and type A1 fuel hoses. A large fuel tank gives you great range.

## **SAFETY**

You don't want to worry while you are having fun. 2 FIRE BOY Automatic Fire extinguishers for the engine room. Carbon Monoxide detectors prevent accidents. 2 bilge pumps kept the boat dry. Large intakes for engine room ventilation. You can find your way with the chartplotter, radar, or wet compass, and a VHF radio lets you talk to your pals.

## **BROKER'S REMARKS**
